ITEM 3 DISCIPLINARY INFORMATION

John Christopher (Chris) Keys, Investment Adviser Representative, does not have any legal or disciplinary events that are material to a client’s or prospective client’s evaluation.

ITEM 4 OTHER BUSINESS ACTIVITIES

Mr. Keys has been a licensed insurance agent for the agency since 2017. He is licensed to sell life, health, annuities, and long-term care insurance for the agency. Mr. Keys spends approximately 2 hours per week selling insurance products.

John Christopher (Chris) Keys is also a registered securities representative for Kalos Capital. A relationship where an investment adviser representative (IAR) is also a registered representative of a securities firm creates inherent conflicts of interest. As the result of his affiliation with Kalos Capital, Mr. Keys will receive commissions or other compensation from the sale of mutual funds or other products sold to you in his capacity as a broker-dealer registered representative. For example, Mr. Keys is eligible to be paid 12b-1 fees, which are paid by mutual fund companies for the on-going marketing of their investment products. This additional compensation presents a conflict of interest, because it creates an incentive to recommend certain investments to clients over others that may not offer similar compensation to the IAR.

To mitigate or remedy these conflicts of interest, the nature of the associations is fully disclosed to the client before effecting transactions.

We will explain the specific costs associated with any recommended investments with you upon request. Additionally, you have the option to purchase investment and insurance products through other brokers or agents who are not affiliated with us. You are not required to do business with Mr. Keys in any of these capacities.
